

WHAT'S TRENDING AT **WHARF & FEATHER**

Meet Chef Jeff!

What four ingredients are necessary in your kitchen at all times?

As far as ingredients go, Spanish onions, celery, carrots and garlic. All good sauces, stocks, soups, gravies, braises etc. begin with a mirepoix, sautéing these ingredients enable anyone to take their dish to the next level. The key to a great dish is to build flavor, this begins with a mirepoix.

Where did your love and passion for cooking come from?

I guess I'd have to say it's in my blood. My Grandfather was an Executive Chef. He worked many elite venues including the Royal York in Toronto and The King Edward Hotel. We always had large family gatherings growing up, and it was all about the food in our house. 3 or 4 barbeques raging, all topped up with a variety of meats, everyone singing, laughing and just enjoying life...
Eat, Drink & be Merry!

What is your favourite food?

Anything I don't have to make! If I have to pick one, it's pasta. There is nothing like homemade pasta. It's so versatile and can be a side dish or the main. Homemade pasta with a fantastic sauce, cheeses...Man o Man!
